Explanation of Gaps Use this section to detail any gaps in employment and why

References: Please provide names, addresses and telephone numbers for referees below whom we may approach for a reference. In line with CQC requirements, we require references (or other satisfactory evidence as the employer may determine) from all previous employers concerned with the provision of services relating to health or social care, or children or vulnerable adults which should include details of why their employment came to an end (note that this is not time limited). If your previous employment does not concern the provision of services relating to health or social care, or children or vulnerable adults, you must provide references from your two most recent employers.

Please provide two character references if you are unable to obtain two professional references, e.g. in the case of an applicant who has been raising children for ten years. All will be contacted. Therefore, please inform the referees of the fact that you have used their name. If you are unable to provide the required references, please discuss the matter with us.
